

Standby without malepart.

Standby with malepart.

Stripped.

**OFF LOAD—AUTOMATIC RELEASE  
ONLY WHEN BOAT IS CLOSE TO WATER**

1. Press the green button (A) down or pull the green handle.
2. Pull down hard until stop, and hold it there. Release will happen when waterborn.

**ON LOAD—EMERGENCY RELEASE  
ONLY WHEN BOAT IS WATERBORN**

1. Pull out the red strip (B) and hold it out.
2. Press down the green button (A) or pull the green handle. Pull hard down in both (A) and (B) several times until release.
